INFORMATION SYSTEMS (MS)

- Classes are offered both on the main campus in Poughkeepsie and online.
- Hands-on program based in the Computer Science and Math Department which is preferred by employers.
- Graduates of the program have the skills to identify, analyze, and solve business problems while using a technical systems approach.
- Three tracks: Information Systems Management, Computer Networks and Security, or Business Analytics.

MUSEUM STUDIES (MA)

- Offered in Florence, Italy at the Lorenzo de Medici Institute (LdM).
- May be completed in one year, full-time study, 34-40 credits.
- Taught by an international faculty in collaboration with the University of Florence and various museums around the city.
- Fall start only.

PHYSICAL THERAPY (DPT)

- Offered at the Marist Campus in Poughkeepsie.
- 36-month, full-time program (115 credits).
- Spring start only.
- Prepares graduates to merge hands-on skills, ethical care, clinical judgement, and critical inquiry to promote optimal functioning of current and future clients throughout their lifespan.
- Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (CAPTE). Pending receipt of accreditation status, students will be eligible to take the licensure examination in January 2021.

PHYSICIAN ASSISTANT STUDIES (MS)

- Offered on the main campus in Poughkeepsie.
- 24-month, full-time program (90 credits).
- Designed to graduate highly trained, ethical and problem-solving health care providers.
- June start only.
- The Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) has granted Accreditation-Continued status to the Marist College Physician Assistant Program sponsored by Marist College.

PROFESSIONAL ACCOUNTANCY (MS)

- Designed to provide accounting majors the opportunity to obtain an additional 30 college credits and a graduate degree to satisfy the 150-hour credits to be licensed as a Certified Public Accountant (CPA).
- Courses are offered on the main campus in Poughkeepsie full-time over the summer and online on a part-time basis in the fall/spring.
- Can be started in the Summer, Fall or Spring.

PUBLIC ADMINISTRATION (MPA)

- 100% online or combined with on-site courses.
- Offered at the Marist Campus in Poughkeepsie, Albany, or Queens, New York.
- Courses are offered sequentially in 8-week increments.
- Concentrations in Analytics, Ethical Leadership, Health Care, Non-Profit Management, and Public Management.
- Graduates of the program have the knowledge and skills required of effective public sector and not-for-profit managers.

SCHOOL PSYCHOLOGY (MA)

- Offered on the main campus in Poughkeepsie.
- Prepares students to meet the educational and psychological needs for K-12 students enrolled in New York State school systems.
- Graduates of the program are eligible to take the New York State Certification Exam for School Psychologists, and eligible to apply for certification as a Nationally Certified School Psychologist.
- Accredited by the National Association of School Psychologists (NASP).
