

# Reinvent Yourself

There's no better time to get started on your future. A future where you can learn more, earn more, get more respect, and feel great about yourself. The time is now. The place is SUNY Ulster.

AdultEDge programs in Business, Human Services, Criminal Justice, Technology, and General Studies offer:

- Evening, accelerated, weekend, or online class formats
- One-stop shop for accessible and ongoing student service, registration, and advisement
- Help in your journey to apply for credit for college-level learning acquired through work and life experience
- Convenient times and location
- Personalized academic plan
- Affordable tuition – financial aid and scholarships may be available
- Manageable pace, attend either full-time or part-time

“...The Entrepreneurship Certificate program has helped me move closer to realizing my dream of starting my own business...”

"It's an honor being a student in SUNY Ulster's AdultEDge program with such great instructors. The opportunity to take classes at the Kingston location, in addition to the online format, has really worked well for me.

The Entrepreneurship Certificate program has helped me move closer to realizing my dream of starting my own business. SUNY Ulster's AdultEDge program which has been a good fit given the demands on my time."

—Erna Alaverdyan, *Entrepreneurship Certificate Program*
