Your EAP Benefits!

Verified Member

"I have been immensely pleased with the response & turnaround time of EAP. I have recommended you to everyone! You're an amazing company that provides exceptional service. (And I am very hard to please!)"

Verified Member

"Each session has helped me make significant progress moving forward in all areas of my life."

Verified Member

"When I called initially EAP was very supportive on the phone and able to get me a meeting with a counselor quickly. My counselor since then has been wonderful and I will continue to see her."

Verified Member

"I would have never found the help I needed without EAP so easily."

Verified Member

"The phone counselor was a great listener, she let me get everything out and then helped me process my stuff."

Members who use EAP services report 98%+ satisfaction!

"I should have trusted this opportunity for help. The unknown is questionable. This was the BEST THING I could have done for me and my... everything. Thank you!"

Verified Member

"EAP listened and made me feel like they truly cared and wanted to help work through things and gave the tools to do so."

Verified Member

"Telephonic counselor was great and I didn't feel rushed or judged. My face to face counselor is kind, listens and I am hopeful that she will help me during this difficult time in my life."

Verified Member

"So grateful my employer has this program."

Verified Member

"I was pleased with the prompt service and helpfulness of the counselors involved. I appreciated the follow-up to make sure the counselor I was set-up with was satisfactory."
